### THE SMALL PRINT

When you have selected the payment option that works best for you, please sign and date the sign up form and return this at your next class. Following this you will receive an email from GoCardless asking you to complete your details online to set up your monthly membership with us (we will send you a text message confirming when the email has been sent as well). For any lessons you attend before your membership, you can purchase this directly through our app or you can pay directly to the club in advance and we will gift you the credits manually for the remainder of the month.

Your direct debit is arranged to pay for the following month, for example a payment on the 28th April will cover you from 1st May until the 30th May. With this method of payment you are securing your membership for the next calendar month. If you have to change your direct debit or leave the club please email [info@elemental-fitness.com](mailto:info@elemental-fitness.com) providing at least 28 days notice. Full t&c's can be found in the back of your welcome pack or by clicking [here](#).

If you have any questions or problems paying your club membership please contact the club prior to the scheduled payment date.
